Referral certificates must be submitted to the BCS Business Office prior to the prospective family's application for admission. Referred families must be new to the school. Rewards will be credited after the referred family pays annual tuition & fees in full or has fully established and submitted first payments within a tuition payment plan. Second semester referrals will receive the same reward at the end of the third quarter. Thereafter the referring family will receive the first half of the reward (\$250). On receiving the referred family's re-enrollment forms for the following year, the referring family will receive the other half of the reward (\$250). Rewards for families referred by more than one party will be awarded to the first family to submit the referral certificate. BCS Business Office staff and administrators are ineligible.
