Dear Parents,

BCS elementary Missions will continue our partnership with the Brazoria County Dream Centers KidFuel program. This ministry provides Brazoria County school children with much needed food each weekend. Last school year, hundreds of students in our county were classified as homeless and many more chronically hungry.

BCDC works with organizations to gather food donations to feed the hungry children. Each week food is collected and distributed to qualifying students in six school districts within Brazoria County.

The students at BCS have been privileged to partner with BCDC for many years. Together we can pray, give, volunteer and make a difference in our community. Food items will be collected from each BCS student as a chapel offering ***every Wednesday***. A table is set up in the PreK/elementary wing where students can place their offering before or after chapel. All items need to be easy to open (pop top), without a can opener and ready to eat with no cooking required. Students can donate as many items as they wish each Wednesday. Let us join in the effort to be the hands and feet of Jesus to those in need. This project will begin on Wednesday, August 26th, and continue until the end of school in May. Below is a list of items divided by grade. Participation is optional, but encouraged.

In Christ,

Patty Wied – Missions
